## Christmas Service Today (added 22.12.16)

You are invited to join us at Stonelaw Church at 9.30am today for our Christmas Service. We hope the weather holds out for us walking there and back. If the weather becomes too extreme we will not walk to the church and will have our service in school but unfortunately there will be no room in the hall for parents to joins us. Fingers crossed that it stays mild as the service is a lovely way to prepare for our holidays and celebrate the talents and achievements of our fabulous pupils! We hope to see you there.

## Rookie Rockstars (added 16.12.16)

What an amazing week of wonderful concerts with our Rookie Rockstars! We hope you enjoyed this break from our traditional Christmas Show as the children certainly did. The singing, dancing from the children was amazing and the rapping from Mums , Dads, Aunties, Grandpas and Grannies was almost as good too! Thank you for being such wonderful sports and for getting into the true spirit of the show. Thanks must also go to our staff throughout the school who helped make this event such a success. You rock!

## Christmas Parties (added 16.12.16)

Today sees the last of our Christmas parties with Primary 1 getting their dancing shoes on this afternoon. The children have really enjoyed celebrating together and rounding off the year in style. We hope that our 2017 will be just as good as 2016 has been.

## P1 Nativity (added 16.12.16)

The Primary 1 children have been working their socks off to bring you an unforgettable performance of Lights, Camel, Action on Tuesday 20th December at 11am. Unfortunately, we must limit guests to 2 per pupil as there are 80 cast members which could put us beyond our fire safety regulations. Thank you for your support and understanding in this matter and we can't wait to see you there for the show. Break a leg children!

#### **Pupil Hub Update** (added 16.12.16)

The Web Wizards Leadership Group have been hard at work with the help of Mrs Sangray to update our Pupil Hub on the school website. The children have chosen the Literacy and Numeracy links and have picked out their favourite weblinks that are Just For Fun. They have also helped to choose Home Learning Links which will help classes across the school in their learning across the curriculum, especially in social studies. So if you have a personal talk or report to prepare for your topic, why not visit the Pupil Hub and get some inspiration? The Web Wizards will launch the new Hub officially at an assembly in January but it is available now for a sneak peek. You can visit the Pupil Hub by clicking the link above or just click [HERE](#).
