Healthy Snack Challenge Returns (added 29.9.17)

Our Stoptober challenge is back for the third year and we hope it will be a massive success. During the month of October we are learning about being healthy and to help us along the way we are being encouraged to sign up to healthy snacks only on Mon-Thurs for the whole month. Pupils, staff and parents are being invited to join in so check school bags for letters and information on how to sign up to this fabulous challenge. Good luck everyone.

Pupil Council 2017 - 2018 (added 29.9.17)

We are delighted to announce our elected pupil council members for session 2017-2018. Children were given time in class or at home to devise a 'manifesto' saying why they thought people in their class should vote for them. The manifesto had to include information about them and what they thought their skills and attributes were. The children presented their manifesto to their class and their peers voted for who they thought delivered the best manifesto. It wasn't about the best writer or the best speaker, but the person who had the best ideas. All of the children who participated in the pupil council campaign were fantastic and should be proud of all of their efforts. The votes were counted and verified and the results were as follows....

Room	6	Beth	MacKinnon	& Theo	Penman
Room	7	Saul	Kelly	& Max	Medina
Room	8	Millie	Lloyd	& Lucy	Symon
Room	9	Evie	Cintron	& Molly	Reynolds
