Halloween Celebrations Friday 30th October 2020

A reminder that we will be celebrating Halloween tomorrow in Calderwood. Children can come to school dressed up or dressed down. Children must not bring in Halloween masks, toys (including weapons) or fake blood. Costumes should be comfortable enough for children to wear all day. In addition to our window display and scarecrow competitions, classes will be having a fun afternoon, with games and activities.

Pupils have been decorating our Parent Council Halloween posters and these will be sent home with your child. If you wish, these can be displayed in your window to allow families to have a Halloween Hunt around our local neighbourhood.

We hope that all our Calderwoodies who celebrate Halloween have a happy and safe day on Saturday.

Parent Council Meeting

The next meeting of our Parent Council will take place on Thursday 12th November (not 5th November) at 7pm. The meeting will take place virtually and the agenda will be made available on our App before the meeting.

Christmas Cards

I know it is very early to be thinking about Christmas, however, please remember to place your order for your child's beautifully designed Christmas cards by 5th November. All payments should go through ParentPay. If you need any help setting up or accessing your ParentPay account, please contact the school office at office@calderwood-pri.s-lanark.sch.uk

Reporting to Parents/Parents' Evening

Usually by this point in the session we would have already held our first Parents' Evening. This year, for health and safety reasons, we are unable to hold a formal Parents' Evening. Instead of this, all pupils will receive a 'settling-in' report from their class teacher. Pupils have also completed a self-assessment report on their first term back at school. Both of these reports will be sent home with pupils early next week.

As always, if you wish to speak to your child's class teacher about a concern or issue, please either contact them by email, or telephone the school office to arrange a telephone call. Now, more than ever, it is important that we maintain communication between parents and the school. Please do not 'sit' on a worry or a concern - get in touch!

Dates for Your Diary

Please remember that **Monday 16th November 2020** is an **In-service Day** and school will be closed to pupils.

IT Resources

A number of parents and carers have been in touch to request IT equipment to support home learning. Unfortunately, we have had a large number of requests and we do not have enough equipment to go around. We are working very hard to rectify this. If we are able to provide you with a device, we will be in touch soon. Please bear with us!

Remember **FACTS**
for a safer Scotland

If you need to make contact with a member of staff from the school, please email:

Mrs Innes: gw14calderwoodht@glow.sch.uk

Mrs Ring: gw07ringjillian@glow.sch.uk
