

# Whole Class Home Learning

**This would apply in the instance that a whole class were self-isolating or all working from home at the same time. This may include periods of school closure (for example, due to adverse weather conditions).**

## **At Calderwood:**

- Tasks will be added to Google Classroom on a daily basis for children;
- There will be new literacy and numeracy tasks each day – these will be the 'core tasks' to be completed;
- 'Additional tasks' covering other curricular areas will also be provided;
- Every day there will be an opportunity to interact in real-time with the class teacher through Google Classroom;
- The teacher will let the class know well in advance when this will be;
- Feedback will be given to pupils on completed tasks;
- There will also be live Google Meets or video lessons posted by the teacher over the course of the week;
- Times for Google Meets will also be provided by the teacher in advance; and
- We would ask that pupils/parents please mark tasks as complete or comment on the task so that teachers know that they have engaged in the activity.

# Issues with Home Learning

We are aware that home learning can be difficult for a variety of reasons, including access to technology, time, support, and space.

If you are experiencing any general problems with the work being set, please contact your child's class teacher by email.

If you have an issue accessing appropriate IT equipment, please contact a member of the Senior Leadership Team.

All other technical enquiries should go to our ICT Coordinator, Maureen Waddell.

## **Our email addresses are as follows:**

- Mrs Innes (Head Teacher): [gw14calderwoodht@glow.sch.uk](mailto:gw14calderwoodht@glow.sch.uk)
