

Santa Dash & Dauner

Ho, ho, ho, it's time to dust the snow off your running shoes, gather the elves together and join in with Calderwood's Santa Dash and Dauner this December.

Whether you're more of a Prancer than a Dasher, we've got a bit of festive fun for you.

We're committed to being inclusive and safe – mindful that Covid is still within the community - which means we have organised, not one, but two ways for families and friends of Calderwood to get involved and help raise some much-needed funds in the run up to Christmas.

Santa Dash Saturday 4th December, 11am – Calderwood Outdoor Area

Ever been chased by a turkey before? No, well this is the year. You are invited to Dash your way through candy cane corner and cross the Christmas tree-mendous finish line to collect your finisher's badge from Santa's little helpers all while being chased by a large bird. This short and sweet event will be held at the school and suitable for all ages.

Santa Dauner weekend 4th / 5th December – Local Area

No turkey chasing, you get to set off when you want over the weekend, go at your own pace and choose your own route. Head out on your own or get some friends together to make the Dauner a fun wander.

We have some suggested 3k routes for those wanting a steer.

Stop for a s-elfie, spot the Santa imposters and if you're out on the Saturday, swing by the school playground for a hot chocolate enroute. It's compulsory that Santa hats are worn!

And if taking part in the Santa Dash or Dauner was not enough we've got some extra excitement – some prizes up for grabs! More on that later.

Registration and Fundraising

We're asking all participants to pre-register for the events. This can be done via email calderwoodsantadash@gmail.com or by completing the slip attached. All those who register will receive a number, Santa Hat and if going on the Dauner, a suggested route map. Those who complete the Dash and the Dauner will be awarded a very special finisher's badge and sweet treat.

Registration packs will be available from the school from 10 am on the Saturday. Finisher's packs will also be available on the Saturday until 4pm. Those who complete their Dauner after this time can collect a Finisher's pack from our desk at the front of the school on the Monday.

We are looking to fundraise through two ways. Those who register to take part in either or both events are asked to pay a single registration fee through Parent Pay. Adults £3, Children £1.50 and Family (2 adults / 2 children) £7. This will cover costs and perhaps give us a wee bit extra.

We have also set up a Just Giving page for the events and encourage families to seek sponsorship for their Dashing and Dauner efforts. If family, friends or neighbours would like to donate in lieu of the spending they would usually do at the Christmas Fair, we'd love that too. There's no pressure to donate. While we are really hoping to raise some funds, these events are more about getting us into the Festive spirit of things as a Calderwood Community.

Whether you take part in one or both events, whether you involve all your family, friends or neighbours, there's snow way you should miss it! It's guaranteed to be a Christmas cracker, even if it does rain-deer!

Thanks in advance for your support.
