19th August 2022

Dear Parent/Carer,

P7 Curricular Experience Evening 2022

Whilst August 2023 seems like a long time away, we are keen to offer as many opportunities throughout this academic year to make the transition from primary to secondary as smooth as possible for your child.

To give you and your child an insight into some of the curricular experiences in S1 of High School, we are inviting Parents/Carers and young people, who live in Cathkin High catchment area and plan to attend S1 in Cathkin High, to attend a Curriculum Experience Evening on Tuesday 13th September from 7pm – 8.40pm.

The focus of the evening will be to introduce you to Cathkin High School, meet staff, see around the building and give you a taster of the S1 curriculum. The evening will start at 7.00pm with a brief introduction from myself, Joanne Sturgeon, Head Teacher. Each family will be assigned a group and current pupils will escort each group to 4 departments, giving you the first insights into our building and where you will meet specialist staff who will showcase learning and teaching in particular subject areas. To allow enough time for you to talk to staff each group will visit 4 different subject areas on the evening.

We hope that you and your child will be able to join us on the 13th September 2022 for the first family primary transition event of the session.

Yours faithfully,
