

Calderwood Pupil Achievements

December 2020

At Calderwood, we regularly recognise the many achievements of our pupils. This is usually done at our weekly P1-3 and P4-7 assemblies.

As we haven't been able to do these, we thought it would be nice to highlight the many wonderful achievements in a different way with this special Newsletter.

It is packed full of highlights from all classes and even includes a joke book created by Room 10!

We hope you enjoy it!
