

Shorts & Shades

It's been 1 year 11 months and 26 days since our last Summer Fair.

That's 1 year 11 months and 26 days since sunny summer silliness.

All that is going to change on **Friday 11th June.**

We've had enough of the grey skies and decided that what we need is shorts, shades and shenanigans. On Friday 11th June we are inviting all Calderwoodies to get into their comfy summer gear, grab their shades and get ready for a day of fun, hopefully sun and unexpected treats.

What children wear is up to them – shorts, summer dress, pjs, silly hair, hats, moustaches – this is the day when anything goes!

We appreciate that it's been a tough year and we want to sprinkle a little bit of the good time glitter into the last few days of the school year. While we don't want to give too much away...there will be some foodie treats, old school games, messy crafts and oodles of fun.

We do have a small ask. Due to Covid we have missed three school Fairs which between them generates an income of around £20k. All your support and spending on home baking, tombola and toys really adds up! While there have been no trips or transport required, as you would expect, money has been diverted to help support the school and children through Covid. We would love to hit the ground running going into the new school year, confident that we have the finances to offer the trips, activities and kit that the children need.

We've also been contacted by some families who would like to contribute but don't know how.

As a PC we are very mindful that this is a time of financial uncertainty for many. If you want to and feel able to, and we can't stress this enough – it's absolutely voluntary, with no expectation at all, but if anyone wants to contribute to the Parent Council funds in lieu of money they would have spent at a Fair or as a dress down donation, please do so via Parent Pay. Or children can of course bring any donation into school with them.

Any donations will be gratefully received and all money raised goes to making the experience of Calderwood the most educational, fun and memorable it can be.

As always, thank you for your support.

Calderwood Parent Council
